OVERVIEW

Bikes, Boats, Boots is an Adventure Triathlon set on the Isle of Purbeck with the iconic Jurassic Coast. Participants will complete the three activity phases as a group raising money for Kisharon Langdon.

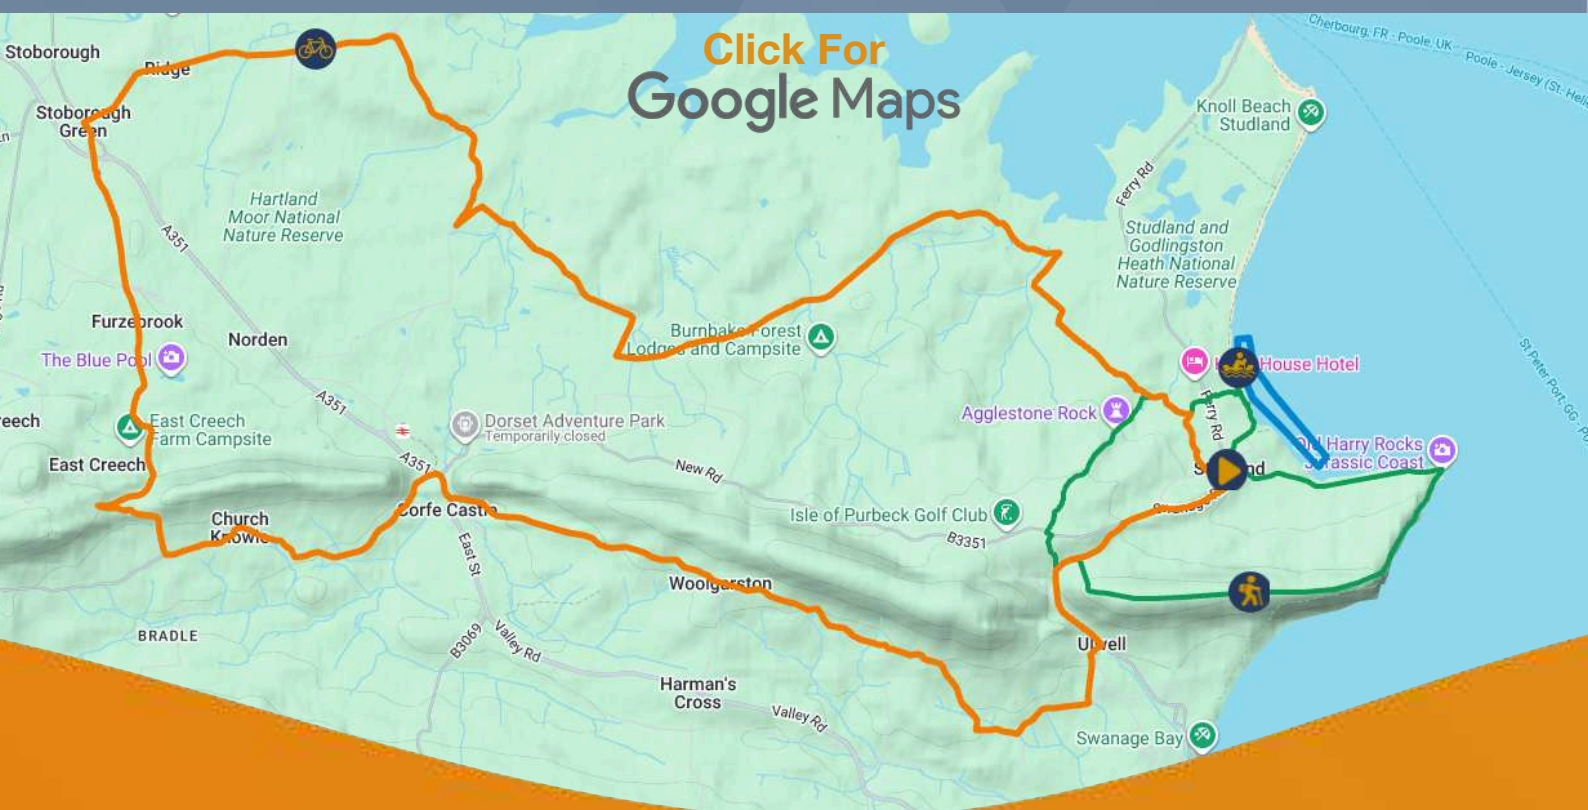

The day starts with the bike phase, an off road route completed on hardtail mountain bikes (provided). Departing from the quaint village of Studland onto Godlingston Heath, the first part of the route is off road on a mixture of sandy trails and forest tracks.

The route hits the roads north of Corfe Castle and heads through the Purbeck Heath Nature Reserves. Midway through, the route takes in a long climb which is one of the main challenges of the day. Efforts are rewarded with an incredible view from the top of the Purbeck Ridge down over Swanage. From here the route descend to the impressive ruins of Corfe Castle before climbing again back over the ridge line and down to Studland.

Upon arriving in Studland participants will have the opportunity to get changed into their walking gear, it is a short walk to the beach for the Boats Phase which teams will complete before continuing onto the Boots Phase.

The Boats Phase is a 3km circular route on the sheltered waters of Studland Bay with the chalk stacks of Old Harry Rocks rising out of the water behind them. Participants will complete this in tandem sit on top Kayaks.

After completing the Boats Phase, participants will have the opportunity to change again then depart onto the final phase of the triathlon. The Boots Phase is a 11km walk taking in some of the best views the Jurassic Coast has to offer from the panoramic view point of the Purbeck Ridge.
